

CONTENTS OF VOLUME 3

Chapter 1. The Frasnian strata—lower Upper Devonian—of New York State	1
D. Jeffrey Over, Gordon C. Baird, and William T. Kirchgasser	
Chapter 2. Stratigraphy of the Frasnian-Famennian boundary interval in shallow-marine paleoenvironments of New York and north-central Pennsylvania (Wicoy–Caneadea formations, Upper Devonian)	29
Andrew M. Bush, J. Andrew Beard, Sarah K. Brisson, Jaleigh Q. Pier, and Michael T. Hren	
Chapter 3. Upper Frasnian and Famennian stratigraphy in western New York State	47
Gerald J. Smith and Robert D. Jacobi	
Chapter 4. Late Famennian Conneaut Group to basal-Mississippian stratigraphic succession and geochronology, New York/Pennsylvania borderland and Lake Erie region	113
Gordon C. Baird, John A. Harper, D. Jeffrey Over, Joseph T. Hannibal, Scott C. McKenzie, and Irving H. Tesmer	
Chapter 5. The Devonian terrestrial system of New York	211
Charles A. Ver Straeten	
Volume 3 Appendix	331
Index	333
